\$99*

Retail Value \$1,000+

Fertility Awareness Check includes the most predictive fertility testing to determine your potential for getting pregnant.

Call 877-324-4483 To Schedule Today

or connect with our New Patient Team member when they reach out to you!

Mention promo code FA99FB to receive the discount.

*\$99 promo price is valid for new patients only. The testing will not be submitted through insurance. In order for the partner to be included in the \$99 price, the partner (male or female) must be identified when the first appointment is scheduled, and both partners must complete their testing within 30 days of each other. The \$99 fee will be credited back on future fertility treatment at FCI and not valid towards a doctor consultation or prior treatments.
